

## *Take your bells out of the closet and get Back to Bells!*

Handbell Musicians of America is offering FREE workshops across the country to help you get your handbells out of the closet and restart your handbell program – or start a brand new program. A handbell program in your church offers numerous benefits for your congregation. Not sure how to get started? Don't think you have the tools to make your program successful? Then our Back to Bells workshops are perfect for you!

### How to Register

Registration is now open. Head to <http://handbellmusicians.org/backtobells/> for more information, updated locations, and to register.
